Club Neuro!

Here comes the school year again, but have no fear, Club Neuro is here! We will continue meeting throughout the school year, once a month on Fridays. We will continue to do pretty much whatever we feel like doing – evenings of food, drinks, movies, gaming, hanging out, doing *whatever we feel like doing!*

Club Neuro is open to all current and past clients of EvoLibri – if you're not yet a client, that's okay – just call, and we'll schedule a free intake to get to know you before you attend your first time.

NOTE: Starting in September, 2008, Club Neuro will be set up through Meetup.com for future meetings. You must register through Meetup in order to get the invitations to events. *SEE REVERSE FOR INFORMATION.*

Dates: TENTATIVELY the second Friday of each month. After registering through Meetup, you will receive notification of all events.

Time: 6:30-9:30 pm

Location: TBA

Cost: \$10/per person, plus cost of event if any.

Ideas? If you have an idea of what you'd like to do one of these evenings, please let me know!

Questions? Contact us at info@evolibri.com

Hope to see you there!

Registering for Meetup.com

If you have not used Meetup.com before, it is a social networking website that allows groups to form and meet on a regular basis. Because it makes administering groups such as Club Neuro much easier, EvoLibri will begin using it to schedule, publish, and alert you of all upcoming Club Neuro events.

But first, you must register...

1. Go to www.meetup.com
2. In the Topic or Interest field, enter Club Neuro.
3. You will be taken to the search page, with Club Neuro listed – click Join Today!
4. Register for the meetup group first.
5. Once you have registered for the meetup group, you can:
 - a. Register for individual events that have been posted
 - b. Get all updated information on Club Neuro

That's it! Just remember to bring your \$10 dues to each meeting (which covers the cost of my assistant) and any money you need for the event, and you're good to go!
