Get Engaged and Have Fun!

LifeLaunch & Springboard 2018!

Looking for something for your neurodiverse tweens, teens and young adults to do this summer, to help them prepare for school and the world beyond? We have the programs!

LifeLaunch Program (ages 16-22):

Transition Skills with a twist!

Our **new** two-week program for older teens and young adults will change the way young adults do summer. Drawing on our exceptional curriculum, this program will combine:

- Independent living instruction (meal prep, financial literacy, wellness)
- Executive functioning instruction (planning ahead, organizing)
- Pre-employment skills (resumes, interviewing skills, volunteering)
- Emotional regulation and stress management
- Social connection with peers

...along with a whole lot of FUN, including a day trip to a local theme park, and a night out for older teen/young adult entertainment – which the group will decide on!

Springboard Program (ages 12-15):

Executive Functioning for School!

We're going to get your kids ready for back to school, by going over:

- Executive functioning strategies
- Backpack checks
- Planner essentials
- Staying calm and destressed
- Study skills refreshers

...as well as getting up at an earlier time preparing for their first day of school. But – it's not all work! We'll also be having fun with cooking, games and activities, and a day out to play!

EVOLIBRI

LifeLaunch and SpringBoard Program Registration Form

Classes will be held at EvoLibri’s office and led by EvoLibri Staff. Programs developed by Jan Johnston-Tyler, MA and staff. A \$200 deposit per class is **required** to hold your space, and the remainder is due no later than one week before the program starts.
