## **EvoClub Social and Support Groups** for Neurodiverse Individuals and Families

EvoLibri Consulting hosts EvoClubs – clubs and activities for older teens, young adults, and adults, as well as their families, who are neurodiverse – primarily with ASDs, but also with other similar challenges such as mood disorders, social anxiety, and learning challenges.

All of our social, support, and skills-based activities are listed on our calendar ([www.evolibri.com/events](http://www.evolibri.com/events)) and are open to all EvoLibri clients. New members are also welcome, but must come early with this form, and under 18 must come with a parent or guardian. If you would like more info before attending, contact us at [info@evolibri.com](mailto:info@evolibri.com), and please indicate that it is for EvoClubs!

### **↳ EvoClub Young Adult (16-25)**

Activities range from table-top gaming, Cards Against Humanity, or watching more mature films of interest. Specific activities are listed on our calendar. Cost for each event is \$35. RSVP on our calendar at [www.evolibri.com/events](http://www.evolibri.com/events).

### **↳ Network for Autistic Professionals**

This online group meets once a month in the evening to discuss issues that autistic employees face in the workplace, including self-advocacy, career development, social skills, and more. Active job seekers may also attend. RSVP and find link on our calendar at [www.evolibri.com/events](http://www.evolibri.com/events).

### **↳ Parenting Beyond 18**

On the first Friday of the month, EvoLibri sponsors a support group of parents who have (or will have) adult children who will need ongoing support beyond 18. This meeting occurs at the same time (start time 7 pm) as our EvoClubs, and we generally meet at Marigold Restaurant in Santa Clara. Please RSVP on our calendar at [www.evolibri.com/events](http://www.evolibri.com/events).
