## ***Get Busy and Have Fun!*** **LifeLaunch & Springboard**

Looking for something for your neurodiverse tweens, teens and young adults to do this summer? We have the programs!

### **LifeLaunch Program (ages 16-22):**

#### ***Transition Skills with a twist!***

Our new two-week program for older teens and young adults will change the way young adults do summer. Drawing on our exceptional curriculum, this program will combine:

- Independent living instruction (meal prep, financial literacy, wellness)
- Executive functioning instruction (planning ahead, organizing)
- Pre-employment skills (resumes, interviewing skills, volunteering)
- Emotional regulation and stress management
- Social connection with peers
- Mobility training/experience using public transportation

...along with a whole lot of FUN!

### **Springboard Program (ages 12-15):**

#### ***Executive Functioning for School!***

We're going to get your kids ready for back to school by going over:

- Executive functioning strategies
- Backpack checks
- Planner essentials
- Staying calm and de-stressed
- Study skills refreshers

...as well as getting up at an earlier time to prepare for their first day of school.

But – it's not all work! We'll also be having fun with cooking, games and activities!
