EvoClub Social and Support Groups

for Neurodiverse Individuals and Families

EvoLibri Consulting hosts EvoClubs – clubs and activities for older teens, young adults, and adults, as well as their families, who are neurodiverse – primarily with ASDs, but also with other similar challenges such as mood disorders, social anxiety, and learning challenges.

All of our social, support, and skills-based activities can be found at www.evolibri.com/events and are open to all EvoLibri clients. New members are also welcome. If under 18, they must confirm registration with a parent or guardian. If you would like more info before attending, contact us at info@evolibri.com, and please indicate that it is for EvoClubs!

- ▶ **EvoClub Young Adult (16-25):** On Friday evenings, EvoLibri will be hosting the ever-popular Jackbox games for you to play! That's right, all those silly favorites like Drawful and Quiplash, all at the comfort of your own device! Currently we are NOT CHARGING for these events, but the cost for these events will be \$15 per event beginning November 6, 2020. To RSVP, go to www.evolibri.com/events and register based on calendar dates.
- ▶ **Network for Autistic Professionals:** This online group meets once a month to discuss issues that autistic employees face in the workplace, including self-advocacy, career development, social skills, and more. Active job seekers may also attend. To RSVP, go to www.evolibri.com/events and register based on calendar dates.
- ▶ **Parenting Beyond 18:** Once a month, EvoLibri sponsors a support group of parents who have (or will have) adult children who will need ongoing support beyond 18. To RSVP, go to www.evolibri.com/events and register based on calendar dates.

New participants should contact info@evolibri.com for a free intake or more information.
