Waiver of Confidentiality

Under federal law, you have the right to confidentiality with regard to the treatment and treatment session you received from any social worker, counselor, therapist, doctor or other specialist. This means that without prior consent from a client or his/her/their legal guardian, EvoLibri Consulting may not have conversations about you with anyone.

However, because EvoLibri Consulting provides holistic treatment to its clients, we frequently ask clients to allow us to speak to other service providers they are seeing such as psychiatrists, psychotherapists, school counselors, and occupational or speech therapists. For clients over 18 years of age, we may also ask you to sign a waiver so that we can speak with your parent(s). You do not have to sign this waiver if you do not wish to do so. If you have any questions about what might be discussed if you do sign this waiver, you are welcome to speak to me before signing this document.

EvoLibri Consulting follows the ethical guidelines put forth by the American Psychological Association regarding client confidentiality.
