Self & Sexuality

Learning to Make Sense of Relationships and Sexuality!

Many transition-aged teens and young adults struggle with making sense of the world of relationships and sexuality. Most have no one to talk with about these topics other than their peers (which as we know, may not be the best place to get information).

EvoLibri is proud to present an INCLUSIVE 7-week class/discussion group on human sexuality for young adults ages 18+. Taught by EvoLibri staff, the course is based on material curated by EvoLibri, including the Our Whole Lives curriculum from the Unitarian-Universalist Church.

Topics covered will include: Young Adults and Sexuality, Boundary Violations, Communication, Sexual Pleasure, Love and Commitment, Gender Identity and Breaking Up.

This is to be a safe group where all are welcome, so long as they are respectful toward other's gender and sexual expression and preference.

How to Connect!

All classes have a maximum of 8:1 student to teacher ratio, and are offered in hybrid format. We screen all new participants for goodness of fit, free of charge. Here's how to get started:

- **Already an EvoLibri client?** Contact your provider for information, and we'll get you set up.
- **Not an EvoLibri client yet?** Please send email to programs@evolibri.com and we'll set up an intake session prior to registration.
- **School district wanting to refer students?** Please contact us at intake@evolibri.com
