(Re)-Introducing – EvoClub Board Game Night!

for Neurodivergent Individuals

Starting in September, EvoLibri will be designating one EvoClub a month to Board Games only! This group will be for ages 14 and up who enjoy the quieter and slower pace of good old fashioned (or new fashioned) board games. These will be the same cost (\$25) as our video nights, and we will politely banish (ahem) any video games from play. **Note: current PEERS attendees get in free!**

While we have many board games to choose from we encourage you to also bring your favorite to share with the group.

All of our social, support, and skills-based activities can be found at <https://evolibri.com/calendar/> and are open to all EvoLibri clients. New members are also welcome. If under 18, they must confirm registration with a parent or guardian. If you would like more info before attending, contact us at programs@evolibri.com.

New participants and anyone with questions should contact programs@evolibri.com for registration and more information.

Game on!
